Nursery Sessions

Welcome back everyone, we hope that you all had a lovely holiday. This term we'd like to welcome some new boys and girls to our morning and afternoon sessions.

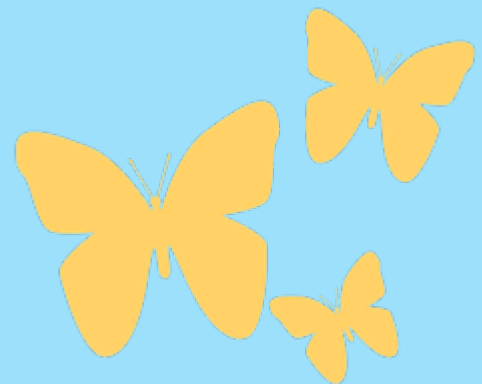

As a reminder to everyone the morning nursery session starts at 8:45am, ideally we aim for all children to be in and settled for 9am. The main door into the building will be opened for collection at 11:45am. A member of the nursery team will be there at this time to let you in. If you need to collect your child before this time please let a member of the team know in advance where possible to limit disruption to the session. The afternoon session starts at 1pm with doors opening at 4pm to collect your child.
