- Last day of term 4 Thursday 28th June

Our Learning Term 1 Tinto Toddler room (2-3)

The Afternoon children enjoyed a trip into Biggar on the local bus recently, visiting the ice cream shop to try out some real ice cream, just like the story Gorilla likes Vanilla by Chae Strathie.

The children were also a great help in selecting some groceries for our own role play shop within the nursery.

Our Learning Term 1 The Young Child's room (3-5)

Celebrating Happy Easter and Happy Holi—Spring time here at last!!!

Towards the end of this term we have been making the children aware of environment print, focusing on food and drink products. As part of this we have introduced the children to some Fair Trade products at snack and through our Fair Trade Bandana Bake sale which made just under £100 from the nursery, and just under £500 combined with the school, raising funds for the Brain Tumour Charity. We would like to Thank everyone so much for all our your support attending this event. The children are always thrilled to have their families involved in nursery events.

It's only a few weeks now until we move into our amazing new nursery, so we will be supporting the children in preparing for this transition , looking at photographs of the continued progress within the school and hopefully we'll be able to plan a few visits before we move into the build in May.

The children moving onto Primary 1 at Tinto will also have the opportunity to meet up with their buddies in the final term.

Next term we will begin woodwork with the children, please can you keep any drinks bottle tops, corks, milk, beer tops etc. If anyone has any access to soft wood cuttings that we could use with the children that would be terrific. We will also be looking for any parents /Grandparents that would like to get involved in helping to develop our new outdoor area. If you would like to get involved please speak to Mrs Miller.

Wishing everyone a Happy Easter and Spring Break. See you all in Term 4.

Symington Park

Mrs Miller will be working with Symington Community Council to try and regenerate the local swing park. If you use visit the park you may have noticed it's becoming a bit tired and run down and need of a revamp. If you would like to become involved please speak to Mrs Miller.

Library Lending bags

We will restart our library bags after the Spring Break.

Should you wish to need to contact the nursery for any reason please do so on 01899 309464 or via email:
