## The Gap:

Please provide an overview of your school's poverty related attainment gap making reference to data.

Look at the 5 key indicators for closing the poverty related attainment gap:

Attainment, Attendance, Exclusion, Participation and Engagement.

What is the gap for these 5 areas? How does your data for SIMD 1-2 + FME compare with your data for SIMD 3-10 without FME.

Tinto has no poverty related attainment gap as there are currently **no SIMD 1-2** pupils and only **1 pupil receiving free school meals**. This pupil is not attaining in line with CfE milestones due to identified learning difficulties in literacy.

**SIMD 5-8: 100%**

**Exclusion: 0%**

**Attendance: 96.7%**

Session 2018-19 there were 4 pupils FME August –March and from March only 1 pupil is recorded as FME

Attendance gap was –10.4%. Discussions were had with parents at the time regarding the impact of absences on attainment. All absences recorded were due to illness.

Attainment for the 4 pupils has been reported on in the Session 2018-19 reports. The 2 pupils who were receiving additional supports will continue to do so Session 2019-20 which includes the 1 pupil remaining on FME.

**Participation and Engagement:** Almost all pupils attend out of school activities. Almost all P4/5/7 pupils attend residential. The school has a lively ASC which offers a variety of activities after school 3-4 times a week. These include sports, arts and crafts, music. All pupils out of school and lunch time activities are tracked. Pupils are identified who are not engaging in activities and encouraged to attend.

**The 1 FME pupil does not participate in ASC but does participate in lunch time clubs.**

**Sustainability:**

Please outline how you plan to mainstream or exit initiatives if required to enable sustainability in the longer term.
